

JOB DESCRIPTION: CRATE SHOP LABORER

Barreto Manufacturing is looking for a hardworking and dependable Crating & Shipping Department Laborer to join our production team. This hands-on role involves assembling trailers, cutting and building custom wooden crates for equipment, crating finished products for shipment, and assembling boom and chain components for trenchers. The ideal candidate is comfortable with power tools, understands shop safety, and can handle regular heavy lifting in a fast-paced environment.

Responsibilities:

- Assemble trailers and build custom wooden crates for shipping equipment.
- Cut wood and construct crates using various hand and power tools.
- Crate finished equipment and prepare it for safe shipment.
- Assemble boom and chain components for trenchers.
- Operate tools and equipment such as saws, drills, nail guns, forklift, and hoist.
- Follow safety procedures and maintain a clean, organized workspace.

Qualifications:

- Prior experience in a warehouse, crating, or shipping environment is a plus.
- Comfortable using a variety of hand and power tools.
- Ability to read measurements and build to specification.
- Strong attention to detail and craftsmanship.
- Reliable work ethic and ability to work independently or as part of a team.
- Forklift certification preferred (or willingness to obtain).

Benefits:

- Competitive compensation
- Opportunities for growth and advancement
- Health insurance options
- Retirement plan
